

Cordless Blowers High performing, innovative battery blower

Full mobility, without exhaust emissions and cables. For those that don't want to annoy their neighbours, STIHL offers a high performance 36V lithium-ion battery blower. Mobile, quiet, powerful and just right for use in noise-sensitive areas such as schools, community gardens and hospitals. With a powerful 160 Wh lithium-ion battery and high torque EC motor it cleans with a push of a button.
